9 July 1999

Dear Sir,

I have pleasure in informing you that, at its twenty-first executive session, the Trade and Development Board, at its 904th plenary meeting on 1 July 1999, approved the application by "Ingénieurs du Monde" for designation for the purposes of rule 77 of the rules of procedure of the Board.

The Board, in its decision on this matter, classified "Ingénieurs du Monde" in the General category. Thus, your organization is henceforward entitled, under the terms of paragraph 12 (a) of Board decision 43 (VII), to participate in meetings of the Board under rule 77 of the Board's rules of procedure and in meetings of its Commissions under the relevant rules of their rules of procedure.

Your organization will be included in the secretariat's mailing list to receive notifications concerning sessions of the Board and of its Commissions. The Distribution and Sales Section of the United Nations Office at Geneva has been asked to add your organization to its mailing list and to send you in future one copy in English and one copy in French of all general documents issued for sessions of the Board and for sessions of the Commissions and their subsidiary organs.

Should your organization wish to be considered for ECOSOC Roster listing, please apply directly to the NGO Section, Division for ECOSOC Support and Coordination, Department for Economic and Social Affairs, United Nations Headquarters, New York.

I enclose copies of notifications for forthcoming meetings in which your organization may wish to participate.

I look forward to close collaboration between UNCTAD and your organization on matters of common concern.

Yours truly,

A handwritten signature in black ink, appearing to read "Awni Belman".

Awni Belman

Secretary of the Trade and Development Board

Mr. François Ullmann
Chairman
Engineers of the World (Ingénieurs du Monde)
